Camp Information and Rules

CHURCHES SENDING CAMPERS MUST SEND CHAPERONES.

- Chaperones will be assigned to groups to provide safety oversight around the camp. The groups will rotate responsibilities (Pool, Lake, and General watch). Each group will have personal free time also.
- Chaperones will not leave the camp without notifying the Camp Director.
- Chaperones may be asked to assist Camp Staff with activities.
- Two-way radios will be shared among Camp Staff and Camp Chaperones.
- Chaperones will not swim with Campers.
- Chaperones are responsible for administering their Campers' medications according to and provided by the Camper's parents or guardian.

Below is the information the parents and campers received.

- Campers cannot leave the camp and return for any purpose except doctors' appointments or other emergencies. Parents must notify the camp director if their child will be leaving during the week. If a camper is sick and needs to leave camp, they may return if they are feeling better and are not contagious.
- No attendees may have been sick or had a fever the previous 48 hours before camp.
- This is a peanut free camp, fees cover the canteen. There is no need to send extra money.
- We want campers to grow and join in the fun by participating in group activities.
- For safety reasons, campers should not roam alone, we operate on the "three buddy system!" Campers are never to be alone in the cabins, nor near the lakes or pool.
- Personal vehicles are not allowed beyond dining halls during the week. Campers are not allowed on camp golf carts.
- Remember this is a Christian camp; please dress accordingly, which means modestly and carefully of the content of the child's clothing. Campers will treat everyone with kindness and respect.
- No smoking/vaping/chewing tobacco products on campgrounds.
- Campers are not allowed to write on or deface any camp property, including bunks!
- Campers are to put their trash in trash cans. The buildings and grounds should be picked-up daily.
- Chaperones are to encourage campers to keep reasonable order in cabins.
- No campers out of cabins after the curfew! Breaking this rule will mean immediate expulsion from the camp.
- Chaperones/camp workers should be familiar with campers and any health concerns or behavior issues that campers may have.
- Chaperones with campers on medications are responsible for the medication in transit, storage, and administration.
- Campers will not be allowed to leave drinks to come back to later. This is to keep children from drinking after each other.
- Campers need sunscreen daily!
- Parent(s)/Guardian(s) are permitted to visit with their child only during free time or meals. Parents or Guardians should notify the Camp Director a day before and will pay Camp Schafer separately for their meal.
- Visits from outsiders will be kept to a minimum to keep everyone safe and healthy. Visitors may not participate in camp activities.
